PRESIDENT'S MESSAGE

It's a cold March morning as I write this message and it seems as though this winter will never end. Not that I'm complaining, because not-fit-for-the-outdoors weather probably keeps some of us connected to the hobby a little more than when there are so many other things to do outside.

We'll be competing with warm weather again this year when we hold the Atlantic Rarities Coin Expo in mid-June. The Winter of '96 may be giving us advantage this year -- with kids having to stay in school just a little longer than planned and vacations beginning after our show.

Kids will be part of our focus at this year's show. Larry Gentile will again have a Young Numismatists program and we're hoping to have a big turnout. If you know children who are interested in our hobby, or who might become interested, mention the Y N program to them and invite them to participate. I'm sure they will enjoy it.

We will also have two well-known speakers at our Saturday afternoon educational program -- Ken Bressett, President, and J.T. Stanton, Governor, of the ANA Board of Directors.

Of course, club meetings and a lot of other activities will also be taking place. We'll keep you posted as things develop further. Better yet, why not attend our Board meetings and participate in the planning process? For information on our meetings, contact one of the officers listed on the inside cover of this issue.

I hope the Winter of '96 has not been too difficult on you and that you continue to enjoy your collecting.

Dedicated to attaining knowledge and fulfillment in Numismatics

The Board of the Maryland State Numismatic Association met on Thursday, November 30th, 1995, at 7:30 pm at the Grace United Methodist Church. In attendance were:

Ernie Turnes - President	Jack Pryor - Past President
Bill Stratemeyer - V.P.	Pete Burris - Harf Coin Husk
Joe Mashinski - Treasurer	Greg Ruby - Catonsville C C
Bryce Doxzon - Secretary	Ed Craig - Maryland T A M S
Bill Ayres - Past Pres	Tom Palmer - Bowie Coin Club
Don Curtis - Belmar C Cl	Millard Hajek - Balto Coin C

Treasurer, Mashinski, will send a letter to the member clubs that are having their dues waived for 1996. He will also mail a \$1,000.00 donation to the ANA as approved by this board.

The list of ARCE volunteers was reviewed to see who was entitled to a silver eagle coin. There was also discussion about distributing 1996 ARCE contracts at the Crabstate and Surburban Washington / Baltimore shows. Raffle ticket sales will begin at the December Surburban Washington/Baltimore with the ticket sellers name & phone number to be written on the backs of the ticket stubs.

Sixteen or seventeen signed bourse contracts for the 1996 ARCE are already on hand. Bourse Chairman, Tom Palmer, will be at the New York International show to distribute contracts.

President Turnes called for a volunteer chairman for the M S N A Fall Seminar to take on the job soon, rather than wait until just a month or so prior to the seminar. He also requested that one person be in charge of procuring all the prizes for the 1996 ARCE.

BOARD MEETING: 30 Nov 95:

Greg Ruby will send a letter to the ANA in formal complaint against Univox for their non-payment of the bourse fee. The ANAs to be questioned about delivery of the club life membership certificate to the the M S N A. The ANA will let MSNA borrow it's photo identification equipment; MSNA will work on purchasing it's own.

Paul Cunningham took until November 19th to respond to MSNA's October 4th proposal for him to have his New Jersey Token and Medal Show at the A R C E in 1996; he chose to have his show at the Garden State Convention instead. Maryland TAMS president, Greg Ruby, submitted a proposal for them to to operate a token and medal show at the A R C E: 1996. After discussion over logistics and cost details, a compromise plan was worked out and approved by the board.

Invitations for Larry Gentile's and Ray Dillard's participation at the 1996 A R C E are yet to be sent. A proposal to reduce the expenses involved in elongateds production was put forth but no action was taken. There was brief discussion about limiting the attendance at the speaker's dinner to keep down expenses.

Spink & Son & Craig Whitford are not interested in holding an auction at the 1996 ARCE; other auction companies that were contacted have not yet replied.

Millard Hajek will see about having the date changed on the M S N A street banner; Bill Ayres will see about having it hung & about setting up a post office booth and show cancellation.

ANA president: Kenneth Bressett, has agreed to speak at the 1996 ARCE; ANA governor, J.T. Stanton, has not yet replied to the invitation.

After a short discussion the board approved the making & issuance of a phone card for the 1996 ARCE. It also approved awarding a silver eagle to Denwood Kelly for his background work securing banknote designs for the annual souvenir sheets.

The MSNA mailing database now contains about 6000 names.

The Board of the Maryland State Numismatic Association met on Thursday, January 25th, 1996, at 7:30 pm at the Grace United Methodist Church. In attendance were:

Ernie Turnes - President	Pete Burris -Harf Coin Husk
Bill Stratemeyer - V.P.	Tom Palmer -Bowie Coin Club
Bryce Doxzon - Secretary	Millard Hajek-CatonsvilleCC
Bill Ayres - Past Pres	Ed Craig - Maryland T A M S
Bill Lenz -Balto Coin Cl	Walt Kitnier-Balto Coin Club
Jack Pryor - Past Pres	

Forty signed bourse contracts for the '96 ARCE are now in hand. Bourse applications were distributed at the New York International Coin Show & at the FUN Convention. Tom Palmer reported a good verbal response to his solicitations for the ARCE. Between the two of them, Bill Lenz & Bill Ayres, contacted each dealer at Gordon Berg's last coin show to try to sign them up for the ARCE.

Ruthann Brettell will be sent the list of 1996 ARCE dealers that Tom Palmer has. Bill Lenz will be talking with her about the A N A life membership certificate that MSNA is expecting to receive.

Invitation letters to Ray Dillard & Larry Gentile have been sent. Ray Dillard has said he will not be attending but will roll the elongateds we need & send the coins and die to local elongateds maker; Will Massey, for his possible use with his own elongateds press, on the bourse floor. While here, Larry Gentile will be assisted by Charles Melcher, at the YN Program .

ANA Governor, J.T. Stanton, will be the second speaker at the ARCE educational forum. Both he & ANA President, Ken Bressett will be asked to send photos, biographies and talk topics for use in publicity.

MSNA Board Meeting: 25 January 1996.(cont)

Bill Lenz spoke briefly of an earlier budget meeting between himself, Ernie Turnes, Bill Stratemeyer and Sylvan Richter. A prolonged board discussion about the budget and bourse projections for the 1996 ARCE followed.

Procuring an auction for this year's A R C E is very unlikely however work could be started on getting one for '97. Efforts to attract a numismatic book dealer will be made.

Ed Craig has volunteered to handle prize procurement.

A contract to have 500 phone cards for the 1996 ARCE has been signed. The souvenir sheet design will be developed very soon. A date change for the show banner to hang over Pratt Street can be easily done. Millard Hajek distributed copies of his designs for the elongated and the post office cancellation.

The attendance at the speaker's dinner; location of the awards breakfast; and location and staffing of the A R C E's club table were subjects of brief discussion.

A fall educational seminar chair is still being sought.

The next board meeting will be held on March 28, '96.

FROM OUR MEMBERSHIP

A problem finding a new location for the B A N C shows has not yet been resolved; therefore, there was no February show for the group.

At the 18 January meeting of the Baltimore Coin Club; Don Curtis gave a presentation on one of this favorite pieces; A Franklin Mint medal commemorating the Battle of Waterloo.

Baltimore Coin Club members have also had great programs presented in February and March. In February a slide presentation on Roman Denarii by Tom Palmer and in March it was "Love Tokens" by Ernie Turnes. These two continue the club's effort to furnish interesting, informative sessions. To continue the effort there will be a session in April by Ed Craig on that newest of collectables; the telephone card.

A long time member of the Baltimore Coin Club, Plum Wiley has recently been in the hospital because of a stroke. More on this later.

Bill Stratemeyer is the new editor of the Baltimore Coin Club's Coin Courier and seems to have finally resolved the problem of getting the bulletin to the membership in a timely manner.

At their Holiday Meeting, held in December, Alan Anderson addressed the Baltimore Coin Club members and guests on the topic of Victorian Era Calling Cards. He brought a selection of slides & some of his cards; a most interesting presentation.

The Baltimore Coin Club advises us they have lost four members recently; Herb Massey; Bob Leutbecker; Oscar Dodson and Don Pennington. Herb was a past president of the club. Oscar Dodson was a retired Rear Admiral and a former president of the A N A.

MEMBERSHIP NEWS Continued

W. Don Pennington was a retired Commander of the US Navy and retired associate professor of chemistry from the Naval Academy. Don was a member of the Colonial Coin Club and Charter Number 5 of the MSNA. He served as the second treasurer of MSNA; from 1972 thru 1974. Never seeking the limelight Don served on many of the MSNA committees and was well known for his active presence. He was always there, during his share and then some, during our formative years.

We would recognize Mitzie Robinette; editor of the Western Maryland Coin Club's newsletter. Mitzie has been handling this job for quite a while and gets the letters out in a timely fashion. We congratulate her patience and hard work.

Catonsville Coin Club has run into difficulties with their meeting location. To compound their problems they had to face the snows of 1996. As a result their January meeting, held at the home of Evan Votta saw only two members in attendance. Evan, of course, of course, was one and the hardy soul of the group was Bryce Doxzon. The club's February 14th meeting was held at the Catonsville Knight's of Columbus Hall. It looks as if this will be location for the club.

The Harford Coin Huskers held their first meeting in January of 1961. Since that time they have failed to hold a meeting on one occasion (December 1961). A few times meetings have been postponed for a few days but never cancelled. January of this year was year was close but no cigar; the meeting was finally held on the 23rd and the record stands.

Warren Morgan Hayes died on March 15, 1996.

Bill Lenz was hospitalized on 15 March and is now recuperating at home.

The YOUNG NUMISMATIST program of the MSNA for 1996 will again present our youth with the opportunity to serve as pages and; on Saturday: to attend a fun filled education session presented by Larry Gentile, from New York, and assisted by Charles Melcher, a member of the Bel Mar Coin Club.

It seems that no matter how hard we try to keep track of the people who work on our various events we miss some. The names of Karen Ayres; Todd Stratemeyer; Denwood Kelly and Les White should be added to the names of those workers at the 1995 MSNA, ARCE.

The spring show of the Associated Coin Clubs: (Harford Coin Huskers, Middle River and Perry Hall Coin Clubs), was held on 3 March. A full house of dealers and an attendance that surpassed the last few shows, made for a most successful day.

You are playing Jeopardy and the board reveals the word NUMISMATICS. can you answer with the right question? If not, you have a lot of company, even though most of us have dabbled in numismatics in some way, at some time.

The correct Jeopardy answer would be: WHAT IS THE STUDY OR COLLECTION OF COINS, TOKENS, MEDALS, PAPER MONEY AND SIMILAR OBJECTS? In a very broad sense, most of us "collect" these items, even though it may be in a very casual way.

We might take an old penny, a two dollar bill, or a foreign coin out of circulation. We may have kept a silver dollar or an old token given by a favorite uncle. Or we may have tried to complete a collection of Mercury dimes.

To generate or renew interest in numismatics, the Bel Mar Coin Club of Harford County will, again this year, have a display in the Court Yard section in Harford Mall all day on Saturday, April 20. The club will play a new videotape on coins (narrated by James Earl Jones) and display numismatic items as part of National Coin Week, including:

- * obsolete US denominations -- 2 cents, 3 cents, half dime, 20 cents
- * proof sets
- * Love Tokens -- coins planed smooth on one side and engraved with initials, a name, or a special date
- * coins and currency from other countries
- * and other numismatic items

The club will also give wheat cents (minted from 1909 to 1958) to kids and literature to anyone interested in the hobby.

For information about the display, the hobby of numisatics or the Bel Mar Coin Club, call 879-8983.

Dear Fellow Numismatists:

Well the time for the next Maryland State Numismatic Association Convention, better known as the Atlantic Rarities Coin Exposition, is rapidly approaching. The show will be held at the Baltimore Convention Center from Friday 14 June through Sunday 16 June 1996.

Last years show was a success and Maryland State Numismatic Association again rewarded the individuals and clubs for their support. Each individual who helped out received a 1995 Silver Eagle and all of the clubs that were represented received a monetary contribution to their club's treasury; based on the number of members that supported the show.

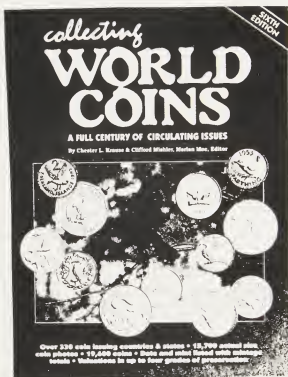

I am asking again for your support to help me man the registration desk for the three day show. As in the past, Maryland State Numismatic Association will pay for a full days parking for each individual who works four hours or more a day.

This year's educational seminar, to be held on Saturday, June 15th, includes two well known individuals associated with our hobby. Mr. Ken Bressett, president of the American Numismatic Association (ANA) and co-author of "A Guide Book of United States Coins"; better known as the "Red Book", who will talk on the future of U. S. coinage. The second speaker will be Mr. J. T. Stanton, one of the ANA's governors.

I plan on sending a letter, with a sign-up sheet, to each Maryland State Club, in the near future. Please consider helping out as much as you can again this year. It is a great way to see the show, make new friends and to attend the educational seminar. I look forward to working with all of you again this year. Together we can make this year's show another great success and have a good time in the process.

Sincerely

PRESIDENT'S MESSAGE

As you will see, this issue is devoted to your annual convention and coin show. We are sure that you will be pleased with what is available -- over 100 dealer tables, club meetings and their auctions, exhibits, the Young Numismatist Program with Larry Gentile, and our Educational Forum featuring A N A Board members Ken Bressett and J.T. Stanton.

We know that the show has plenty to offer you, the collector. But also consider what it offers to the non-numismatist -- an opportunity to learn about a new field, perhaps a new interest.

Take this opportunity and bring a friend or family member to the Convention Center and show them around. Take them on a tour of coins, paper currency and other collectables that they've probably never seen. Tell them the stories. Point out what you collect and why, and what you're searching for.

It can be a great way to educate your kids and to show others why we love the hobby. Your interest and enthusiasm may become contagious & infect those not-yet-numismatists that are close to you.

The worst thing that can happen is that they will have a better understanding of your hobby. And the best thing is that they'll come to share that interest.

I look forward to seeing you at the show.

The Board of the Maryland State Numismatic Association met on Thursday, March 28th, 1996, at 7:30 pm at the Grace United Methodist Church. In attendance were:

Ernie Turnes - President	Don Curtis - Belmar Coin Cl
Bill Stratemeyer - V.P.	Tom Palmer - Bowie Coin Club
Bryce Doxzon - Secretary	Greg Ruby - Catonsville C C
Bill Ayres - Past Pres	Ed Craig - Maryland T A M S
Jack Pryor - Past Pres	Walt Kitner-Balto Coin Club
Bill Lenz -Balto Coin Cl	Al Ciolfi - Belmar Coin Cl
Pete Burris-Harf Coin Hu	Clarence Schmitt-Colonial C

Minutes of the January 25, 1996 meeting were read by Mr. Doxzon.

Maryland TAMS stated that for lack of time they will not be able to hold a token & medal show in conjunction with the ARCE.

A bourse floor layout and dealer list, was distributed for review by the board. So far 78 bourse tables have been paid for. Both bourse chairman Tom Palmer and the A N A's Ruthann Brettell will be contacting unsigned dealers. It was noted that twelve dealers were signed up at Gordon Berg's recent show.

A contract with the Baltimore Convention Center reserving space for the 1997 show dates (June 12-15) needs to be in place ASAP; also the possibility of getting later show dates for 1998 than those in place (May 14-17) should be actively pursued.

The room setup contract with Art Decorating Co will be in place once the deposit is paid.

Greg Ruby will work on getting a book dealer at ARCE.

Exhibit applications have been sent out. After a brief discussion it was decided to let chairman Walt Kitner decide what type of exhibit prizes to award.

MSNA Board Meeting: 28 March 1996.(cont)

The awards breakfast speaker will be Jules Reiver. Following the breakfast, there is a possibility of having a coffeeklatch for the dealer's spouses. Chairman Pryor noted that breakfast expenses have risen since last year.

Speakers' dinner arrangements have been made with the Stouffer Harborplace Hotel restaurant.

Requests for registration desk & show setup help have been sent to MSNA member clubs. A prize will be drawn based on show flyer turn-ins as was done last year. Mailing lists for the show flyer are to be compiled and sorted.

M.S.N.A. was offered photo I.D. equipment, including a carrying case, by a local owner. It's purchase was approved.

Due to the lateness of the school year there may be some difficulty in recruiting YN's as pages for the '96 ARCE.

Heavy raffle ticket sales at Gordon Bergs last show were noted; these allow MSNA to cover raffle prize expenses.

A souvenir sheet design, selected by Denwood Kelly was shown to board members for review and approval.

ARCE phone cards are now on hand: they should be advertised to individuals and club members before the ARCE.

The Baltimore post office has said it cannot be at the show on Friday, June 14th but will be there on Saturday and Sunday, June 15 and 16.

MSNA's life membership certificate from the A N A has been received. Also from A N A comes the good news that Baltimore has been chosen to host the 2003 ANA Convention.

The next board meeting was scheduled for April 25,'96.

Respectfully Submitted

"NEW CHERRIES TO PICK"

SOME COMMENTS FROM OUR MEMBERSHIP:

The Colonial Coin Club held their 1996 show on April 13, 1996 at the Riva Fire Hall southwest of Annapolis. Fourteen tables were occupied by their dealers. Their raffle winners were: W. Cronin - the gold eagle first prize and George Jones who won the second prize - a silver eagle.

The Bel Mar Coin Club elected officers for the coming year at it's April meeting. The new President is Frank Myers: who has been the acting President for the last few months. Continuing to hold office for another year are: Vice President is Jack Smith; as Secretary - Nick Kurlick; and as Treasurer - Karl Keller.

BANQUET CROWD LEARNS TO TURN GEMS TO JEWELRY

Thirty nine Baltimore Coin Club members & guests attended the Spring banquet and heard guest speaker, Frank Goss, explain how to convert gems to jewelry. Frank and his wife, Elva, both active in the hobby, brought specimens & equipment used in the hobby and donated one of their stones as a door prize.

Speaking of door prizes: Paulette Finck won one and then donated it to the youngest member present, Scott Tomlinson.

At the start of the dinner, former club presidents were asked to rise & be identified. They then received a nice round of applause.

At the end of the evening, Don Curtis presented Ernie Turnes with a silver club medal engraved "Ernie Turnes President 1995". The club also presented Ernie with a gavel and a gavel rest, both also engraved.

Everyone seemed to enjoy the affair.

BEL MAR COIN CLUB & NATIONAL COIN WEEK

The BEL MAR COIN CLUB & our hobby extends a "thanks for a job well done" to Al Ciolfi for all of his work in setting up a display at the Harford Mall on April 20th. Shoppers at the mall saw U.S. and foreign coins and paper currency exhibited to help promote collecting. The event coincided with National Coin Week.

MEMBERSHIP COMMENTS - continued

Youngsters seemed particularly interested in money they had not seen before. Their questions were answered by the following Bel Mar members who manned the display: Al (all day); Karl Keller, Don Curtis, Melissa Jordan, Ernie Turnes and Frank Myers.

The exhibit offered many give-aways to the public: wheat cents, elongateds, one centavos, wooden nickels and two tables full of dealer literature and numismatic publications. The club also showed video tapes.

Al has already begun planning for 1997.

MEMBERSHIP COMMENTS - continued

Ed Craig gave a presentative on telephone cards at the April meeting of the Baltimore Coin Club. Since a number of us were not familiar with the cards themselves and numerous others were unaware of their collecting potential it was a most interesting session.

Millard Hajek recently underwent knee replacement surgery. He's home, & moving around, but the pace is slow. Here's hoping for a rapid recovery.

The Middle River Coin Club seems to be on a roll. Having an attendance of thirty to forty members to a meeting is becoming a regular thing.

Bill Stratemeyer addressed the membership of the Middle River Club on 8 May on the topic of early U. S. paper with special emphasis on the paper of the mid 1800's. Bill also displayed a wide range of fractional currency notes.

The Western Maryland Coin Club received a special presentation of "Morgan Dollars" at their April meeting; given by Miss Sarah Weimer.

The officers of the Western Maryland Coin Club for 1996 are: Jim Weir - President; Norman Growden - Vice President; Dave Weir - Treasurer; and Larry Arbrogast - Secretary.

Western Maryland Coin Club held their annual spring show on 20-21 April. A visit on the 20th saw a full house of dealers and a reasonably active crowd.

MORE CLUB HAPPENINGS

On 7 May, the members of the Baltimore Coin Club made their annual visit to the Hanover Numismatic Society. The guest speaker of the evening was Linda Sanders, Bank Manager of The People's State of Hanover. Her presentation began with the new one hundred dollar bills. From there she went to the coinage of the colonies and of the early United States.

Christian Gobrecht, & the earlier years of Hanover, are intertwined. He still has descendants in the area. It was only natural that the club members of years ago took an interest in his works. This resulted in them purchasing a number of the medals relative to him and an EF/AU 1836 Gobrecht Dollar. These items have been in their vault and have not seen the light of day in several years. Sterling Yost, custodian of the material put together a most impressive display for the evening. Lowell Fuhrman then gave a presentation on the display which was most interesting.

On the 13th of April, Marge and I decided to drive to Annapolis to visit the Colonial Coin Club's annual show. I knew the show was being held on Riva Road but there I got careless; I assumed it was the same location as in 1995. My next mistake was coming into town via Route 178 and turning in the direction I thought I wanted to be. Needless to say I couldn't find Riva Road. I wound up on West Street and decided to ask directions. These were good and a few minutes later I was headed southwest on Riva Road. Not being overly familiar with the area I was a bit surprized by the South River and was beginning to wonder if I were lost again when Marge spotted one of the directional signs that the club had put up. Even when we got to the fire station it was somewhat confusing. The show was on the lower level and you had to go around in back to find it.

It just goes to show what we all know (but ignore). Find out where you are going before you go there. All I would have had to do was check the map and I would have found where I was going.

It was a nice show with a good variety of material however the attendance could have been better; maybe next year.

May 1996

Dear Fellow Collectors,

This year, the MSNA Atlantic Rarities Coin Expo is putting additional emphasis on education -- the main reason that numismatic clubs exist.

We have two excellent speakers for our Educational Program (Saturday, June 15, 4pm) -- ANA President Ken Bressett and ANA Governor J.T. Stanton. Their subjects will be "The Future of United States Coinage" and "New Cherries To Pick". We hope you can attend, bring a friend, and participate in the discussions.

Our Young Numismatist Program is another area we re giving more emphasis this year. Larry Gentile will again join us and present speakers, videos, door prizes, displays, exhibits, and a play money auction for YNs. (Lunch will be provided.) It promises to be a good time for those who participate.

You can help in both of these areas by taking part and by encouraging others to attend, particularly young collectors. The YNs can even earn some spending money by working as Pages on Friday, Saturday and Sunday.

If you know YNs who would be interested in being Pages or attending Saturday's YN Program, ask them to call me at (410) 879-8983 or write to the above address so we know what size group to plan for.

Thanks for your help. We look forward to seeing you at the show.

Sincerely,

Ernie Turnes
President

PRESIDENT'S MESSAGE

On behalf of all of those who attended and enjoyed the 1996 Atlantic Rarities Coin Expo, I'd like to thank the MSNA members and member clubs that worked to make the show such a success.

More than 50 volunteers (including family members and friends) representing twelve different clubs, unselfishly contributed their time and God given talents and energies - - all to benefit the hobby. A handful work on the event year-round.

As is always the case, we're already planning for next year - - a milestone in that it marks the 25th anniversary of your club and the 200th anniversary of the incorporation of Baltimore City. We're planning some special activities to acknowledge the occasion.

The August 1997 show will be a great one for you to play an active role. It's "Work" that you'll enjoy.

I hope to see you soon.

Dedicated to attaining knowledge and fulfillment in Numismatics

The Board of the Maryland State Numismatic Association met on Thursday, April 25th, 1996, at 7:30 pm at the Grace United Methodist Church. In attendance were:

Ernie Turnes - President	Jack Pryor - Past President
Bill Stratemeyer - V.P.	Al Ciolfi - Harf Coin Husk
Bryce Doxzon - Secretary	Bob Ruby - APL Coin Club
Bill Lenz - Show Chair	Ed Craig - Maryland T A M S
Bill Ayres - Past Pres	Tom Palmer - Bowie Coin Club
Don Curtis - Middle River	Walt Kitner - Balto Coin Cl

The Minutes of the March 28, 1996 meeting were read by Secretary Doxzon.

Bourse Chairman, Tom Palmer, reported that more than 90 bourse tables have been sold so far. Both he and Ruthann Brettell have been talking to unsigned dealers and Tom has sent out confirmation letters and Baltimore area info sheets to the already signed dealers. He urged that the 1997 bourse fee remain the same as for 1996.

The dates for the 1997 ARCE have been upset from the June 13-15 scheduling; a larger meeting has contracted for the use of the entire Baltimore Convention Center on those dates. Alternate dates were discussed and it was decided to attempt to reschedule the show for late May 1997.

Bob Ruby distributed the draft designs for the show flyer and solicited comments & corrections prior to his sending the final copy to the printer in mid-May. A survey list, asking ARCE attendees how they heard about the show, was developed. Publicity Chairman, Bryce Doxzon, will arrange for display ads in Coin World & Numismatic News; timed for the Long Beach Show and for the ARCE. He will also pursue radio advertising on WBAL and WQSR (one AM and one FM station) & will be sending letters to local newspapers and radio and TV stations requesting public service announcements on behalf of the ARCE. Pete Burris will work to have the ARCE banner hung over Pratt Street.

A numismatic book dealer (Charles Davis) will have a bourse space at the ARCE.

MINUTES: April 25, 1996: Continued.

Dealer registration will begin at 3:00 pm on Thursday, June 13th; no "turkey night" is planned. The food concession will be open during dealer setup. A showcase and lamp order form has been made up for use during dealer registration; Sylvan Richter will receive the money from; and Pete Burris will distribute; cases & lamps to the dealers needing extras of each. A check has already been sent to Art Decorating Co to finalize the bourse room setup contract. Signs will be needed to designate certain bourse areas.

Prizes for the show speakers have been procured; the speaker's dinner menu is to be set. The awards breakfast arrangements have been made.

Exhibit applications have been sent out; one reply has been received so far. Two show pages have been signed up so far.

Coin World is interested in holding a collector symposium at the the ARCE, on June 14 and 15, but the exact times need to be set. (N: B: the symposium was later cancelled by Coin World).

The Baltimore post office has said it would have a booth at the ARCE on all three days. The club table that will be selling MSNA & local club items will be manned by Ed Craig. Ed Craig.

Federal express will pick up packages at 5:00 pm June 14 and 15 and may also pick up at 2:00 pm on June 16.

There was discussion on whether to have a treasurer pro tempore available during the show, to pay bills in the event Treasurer, Joe Mashinski, should be absent. Pete Burris and Bill Ayres would be able to fill that function.

The present officers of MSNA (President - Ernie Turnes; Vice President - Bill Stratemeyer; Treasurer - Joe Mashinski; Secretary - Bryce Doxzon were nominated for another term.

Respectfully Submitted

Dedicated to attaining knowledge and fulfillment in Numismatics

The Board of the Maryland State Numismatic Association met on Monday, July 1, 1996, at 7:30 pm at the Grace United Methodist Church. In attendance were:

Ernie Turnes - President	Don Curtis - Baltimore C C I
Bill Stratemeyer - V.P.	Tom Palmer -Bowie Coin Club
Bryce Doxzon - Secretary	Bob Ruby - APL Coin Club
Bill Ayres - Past Pres	Ed Craig - Maryland T A M S
Pete Burris- Harford C H	Millard Hajeck -Catonsville

Minutes of the annual membership meeting were read by Secretary Doxzon. In Treasurer Mashinski's absence, Bill Ayres gave a preliminary treasurer's report.

Ernie Turnes read the text of an open letter he sent to Numismatic News and Coin World thanking the dealers, speakers and the public who participated in the 1996 Atlantic Rarities Exposition. He also read aloud a letter of thanks that he sent to the participating dealers. Bill Stratemeyer mentioned letters of appreciation he sent to the Renaissance Hotel and the educational forum speakers; Ken Bressett and J.T. Stanton.

There was long discussion on the use of one hall or two (Hall C and/or D) for the 1997 ARCE and whether this will permit a token and medal section on the bourse. Further discussion was put off until subsequent consultation with general chairman, Bill Lenz (not present).

The board reviewed, and commented on at length, a list of suggestions for improvements to the 1997 ARCE in the areas of dealer registration, bourse, publicity, etc. Ernie Turnes said he would be co-chairman of the 1997 ARCE, along with Bill Lenz.

Bob Ruby distributed copies of lists enumerating 1996 ARCE attendees by where they came from and by how they heard about the show.

Dealer sponsorships of the raffle ticket printing was discussed with agreement reached that such sponsorships will be solicited.

MSNA meeting of July 1, 1996, Continued:

Discussion on issuing a phone card for the next ARCE was tabled until a further board meeting. It was noted that about \$70.00 was received, so far, from the sales of wooden nickels and elongateds.

Although a likely speaker, and a topic, for the MSNA fall seminar have been found ideas for a seminar location are still needed.

The next MSNA board meeting was set for 29 August 1996, at 7:30 pm.

Many of us in the hobby are unhappy with our circulating coins but feel powerless to do anything to bring about a change.

Maybe now is the time that we can have some influence.

A bill, (HR 3793), has been introduced in the House that would create 50 circulating commemorative quarters over a 10 year span, each honoring one of the 50 states. If you would like to see this idea become reality write to your Representative in the House and/or your Senator's encouraging them to support this bill.

In this issue we've included the names and addresses for Maryland's representatives in Congress.

If you believe that this circulating commemorative program is a good idea, or if you want to voice your position on a different numismatic issue, write to the people who can affect the legislation.

OUR MEMBERSHIP COMMENTS:

The CAMBRIDGE COIN CLUB meets on the second monday of each month at the library. They are holding their fall show on the 20th of October at the American Legion Hall on Route 50, just over the bridge.

Their officers for this year are: Rodney Bounds - President; Dale Fike - Vice President; Rudy Gallow - Secretary and as Treasurer - Leroy McComas.

BALTIMORE COIN CLUB's officers for 1995 are: Don Curtis - President; Tom Palmer - Vice President; Joe Mashinski - Treasurer and Mo Richter - Secretary. Some time ago, Bob Bedford presented the club with a plaque containing the names of all the past presidents of the club on brass plates. Earl Leonhardt has now under taken the task of preparing a new plaque which will contain the names of all presidents since the earlier one and have spaces for future ones to be added.

Their meeting for the 4th of July was cancelled for obvious reasons.

CATONSVILLE COIN CLUB is currently meeting at the Knights of Columbus Hall however they are considering a move to the Catonsville Senior Center. The club's officers for the year are: Evan Votta - President; Joseph Fiedler - Treasurer/ Vice President; and Secretary - Millard Hajek.

BANC: no change yet in status - a place to hold a show has still not been located. The board of the BANC met on 16 May

MD TAMS annual meeting was held on June 15, in conjunction with the MSNA's ARCE. Greg Ruby was forced, through outside forces, to resign as president. In accordance with the constitution and by-laws of the club Ed Craig was elevated to President and the board of director's, with the membership's approval requested Millard Hajeck assume the office of Vice President for the balance of this year's term of office. An elongated was presented to commemorate the year & telephone cards of the club are available for \$15.00 each. The club voted to give copies of "Seafood and Cannery Tokens of Dorchester County, Maryland" and "Maryland Merchant Tokens" to the Baltimore Museum of Industry.

On August 3rd the MD TAMS met at the Caroline County Historical Society in Denton, MD. A very pleasant day, a great meeting and it was followed by refreshments at the home of Mr. and Mrs. William Miller.

At the official release of the Commemorative one dollar silver and five dollar gold, at the Smithsonian's Museum of American History.

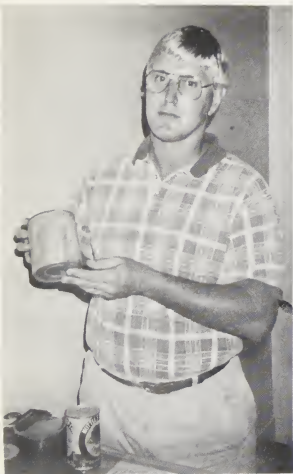

Above are our own Pete Burris, Ernie Turnes and Bill Stratemeyer. Don Curtis was taking the picture.

Below are the 4 engravers in front of the side of a coin which he designed. From left to right are Al Maletsky in front of James Smithson; T. James Ferrell in front of the Sunburst Logo; John M. Mercanti and the Allegorical Figure and William C. Cousins in front of the Castle.

MEMBERSHIP COMMENTS - continued:

WESTERN MARYLAND COIN CLUB holds a most unusual picnic - they hold it indoors at the Cumberland library. That's one way to beat the bugs, mosquitos, heat, etc.

Bill Miller displays cans of many years ago at the Maryland TAMS meeting in Denton.

PRESIDENT'S MESSAGE

Our planning for the upcoming Atlantic Rarities Coin Expo continues. While our club is blessed with several individuals who generously contribute their time, effort and talent, we can always use more --yours.

We can use your ideas on how to commemorate our club's 25th anniversary and Baltimore city's 200th in 1997.

Or maybe you know someone in the media who could help us publicize our August 1997 show. Perhaps you can recommend a good speaker who will fill a room at our show or at our Educational Seminar in the Fall.

We'd like to hear your thoughts on these and other issues affecting our club. Contact any Board member (my phone number is 410-879-8983).

We can use your help.

I hope you enjoyed the Holiday season to the fullest and I hope to see you soon.

Dedicated to attaining knowledge and fulfillment in Numismatics

FROM ERNIE TURNES: President of the MSNA

Member and guests of the Maryland State Numismatic Association learned what it was like to write a book about early money and banking in the State of Maryland as that was the subject of the talk at Maryland State's educational forum in mid-November.

The speaker was Denwood Kelly, long-time collector and one of three authors of the recently published book "Money and Banking in Maryland". Co-author Armand Shank also participated in the discussion. The meeting took place in the State House, in Annapolis, the capitol of Maryland.

Mr. Kelly explained that in the beginning the focus of the effort was on cataloguing Maryland material, not on writing a book. He gave several examples of what the authors learned about banks, banking, the state, and many other aspects of Maryland history through their research. He complimented paper money dealers for their help in the effort and expressed appreciation for the cooperation of the Maryland Historical Society.

Maryland State Numismatic Association is comprised of individuals, clubs and dealers. It's 1997 convention & show sanctioned by the ANA, is scheduled for August 14-27 at the Baltimore Convention Center. The event will celebrate the Association's 25th anniversary, in the year in which Baltimore commemorates the 200th anniversary of it's incorporation.

On December 5, 1996, Ernie Turnes presented a check (from show proceeds) to Baltimore Coin Club President Don Curtis to acknowledge the volunteer work by BCC members at the 1996 MSNA show. The presentation was the first of several to clubs whose members helped at the Atlantic Rarities Coin Expo. The amount given to each club was determined by the MSNA Board and was based on the level of participation of each club's members.

OUT MEMBER CLUBS

WESTERN MARYLAND COIN CLUB held their fall show on the 9th and 10th of November.

They call special attention to their members Wreatha Mayes: Larry Arbogast: Dave Weir: Bob Pletta and Louie Nies for their efforts on behalf of the show. (I suspect there are other names that should be on this list also).

They had a group of numismatic books on display at their November meeting. These books are to be sold at their Feb. auction, with the proceeds to go to the American Heart Association.

Their Christmas gathering is scheduled for the 10th of December, at their regular meeting place, in the South Cumberland Library.

CATONSVILLE COIN CLUB held their annual dinner at the Snyder's Willow Grove restaurant.

Twelve members attended their September meeting and 13 in October. Seems attendance is down in just about all of our clubs.

The club holds a quarterly birthday drawing. The latest one was held in October and the winner was Joe Fiedler.

At their October meeting, the topic was "The Dog in Your Collection." Seems Bob Wobleking won with a mutilated 1794 cent.

Their editor, Millard Hajek, with their December bulletin switched from a typewriter to computer. That's a switch: with this copy of our bulletin I have had to do just the opposite.

At their dinner meeting the club's members "voted" to retain their officers for another year, so continuing in office are:

Evan Votta	-President
Joseph Fiedler	-Vice Pres
Millard W. Hajek	-Secretary

From Clarence Schmitt, of the COLONIAL COIN CLUB we have the following:

The Colonial Coin Club of Annapolis had an open house on October 28th: in lieu of it's regular meeting; at the Annapolis Library on West St. There were displays of U.S. & foreign coins and the video: "Money:History in your Hands" narrated by James Earl Jones, was shown. Refreshments were served. Boy Scout Troop No. 396, from Annapolis, was in attendance. A drawing was held and everyone received a coin. It was a fine affair which was enjoyed by everybody.

For the first time in over thirty years the PERRY HALL COIN CLUB had to change it's meeting night for one month (December). Seems the bank that owns the building wanted to have a function of their own that night. The bank

INTERSTATE COIN CLUB

The Interstate Coin Club is one of the clubs of the older school - a group of serious collectors formed to pursue the study of numismatics.

They were a "branch-off" of the type clubs established in the 1930's such as the Baltimore Coin Club and the Western Maryland Coin Club.

For the type club they were they formed rather late: their first meeting was held in February of 1961: however they were somewhat different from the clubs formed in the mid 1960's which leaned more toward the collecting of coins rather than the study of numismatics. I suspect that the group probably held informal meetings long before the 1961 date - most of the early clubs seem to have.

As with the other, older clubs, Interstate had as members and guests people of name in the hobby. Eva Adams, during her tour as mint director was among those participating in their 1964 spring show.

While most of their membership came from the Hagerstown area they also had members from Pennsylvania, Virginia and West Virginia: hence the name. To this date their meetings are attended by members from other states as well as the local area.

In addition to their shows the club also holds a picnic in July and clubs banquets in the spring and at Christmas. Their shows are normally larger than most local club shows having between 40 and 50 dealers, even to date. They are still in the enviable position of having to turn dealers away for lack of space. They almost always have a show on the Labor Day weekend - only circumstances beyond their control will cause them to change that date.

Bob Breichbeil, their current Vice President, has been involved with the club since it's very earliest beginnings. Dorothy Harsh, Corresponding Secretary, also has a very long involvement with the club, as did her father, George (who was one of the originators and also the first secretary of club). They issue woods at each of their shows and these woods advertise their next show. The first woods were issued in 1965.

Their first coin show was held at the Venice Ball Room on March 10 and 11, 1962.

CLUBS - Continued

then forgot we had changed our night and didn't unlock the doors for us so we adjourned to a local McDonald's for our meeting.

The ASSOCIATED COIN CLUBS again held their annual Christmas luncheon at Victory Villa Community Center on 8 December. Approximately 60 members and guests were in attendance. We weren't able to get our musical support and both Ollie and Annie, of Brownies are now unable to work. George and Jason filled in to replace them: Santa made his annual appearance and after the dinner each of our female guests took home a potted flower.

When we listed the people who worked on our 1996 convention one very important name was omitted. BOB RUBY who puts in many many hours on behalf of the MSNA was not listed. Sorry Bob.

This has been a problem period for several of our members. As many of you are aware, Will Mumford and Bill Ayres have both had serious medical problems within the last few weeks. Bryce Doxzon and Jim Boswell both lost their fathers in the same time frame

INTERSTATE COIN CLUB

Their first activity was a coin auction which was held on 17 Sep 1961, at the Royal Fence Company, in Hagerstown.

Current officers, in addition to Dottv and Bob, are: Myrtle Canfield - President: Jane Weller - Recording Secretary and Bill Ditto, Treasurer.

Their meetings are held on the third Thursday of each month, at 7:45 p.m., and are held at the St John's Lutheran Church, 130 S. Potomac St, Hagerstown.

1. Which day of the week and approximate time would you prefer?
2. What subjects would you like to hear speakers discuss?
3. Who would you recommend as a speaker?
4. Would you attend a dinner at which you would pay for your meal? If yes, up to what amount?
5. Are there other educational formats that you prefer?
6. What other suggestions would you offer?

Thanks for your responses. You can mail them to the club PO Box or discuss them with a Board member.

Another interesting book is Warman's "COINS AND CURRENCY"
2nd edition. This book is described on the front as "An
Identification and Price Guide to Ancient, Medieval, and
Modern Coins and Currency, Including Art Medals, Bank
Checks, Commemoratives, Mint Sets, and Tokens". This book
which was put together by Allen G. Berman and Alex G.
Malloy, contains a brief dexcription of a large number of
Numismatic topics without going into a great deal of de-
tail on any one. As stated, it covers coins, paper money,
tokens: foreign as well as domestic. This book I found to
be interesting and recomend club libraries consider it's
inclusion. It is priced at \$19.95 but I am not sure where
it can be obtained. If anyone would like to peruse a copy
of this: see me: and if anyone is interested in ordering a
copy I will find a source.
